

Considering that very few community organizations such as hamlets and Hunters and Trappers Organizations (HTOs) have provided written comments, NTI again requests that the NPC allow all hamlets, HTOs and other community participants to provide written submissions until three weeks before the public hearing (February 28th).

Sincerely,

A handwritten signature in black ink, consisting of several loops and a final flourish that extends to the right. The signature is written in a cursive style.

James T Arreak
Chief Executive Officer
Nunavut Tunngavik INC.

Attachment:
